CORE

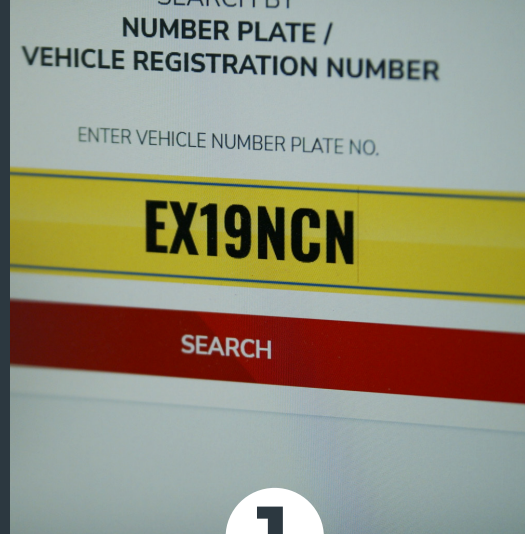

HOW IT WORKS

1

Search

Quickly find out which parts are required by searching the vehicle's number plate or by using the OE/OEM search feature.

2

Dismantle

Once you have confirmed which parts you want to sell, remove the parts from the vehicle during the dismantling stage.

3

Tag

After the parts have been removed from the vehicle, you attach the tags supplied by RS Automotive Core to the parts.

4

Store

RS Automotive Core will supply you directly with stillages to store the mixed core until collection is requested.

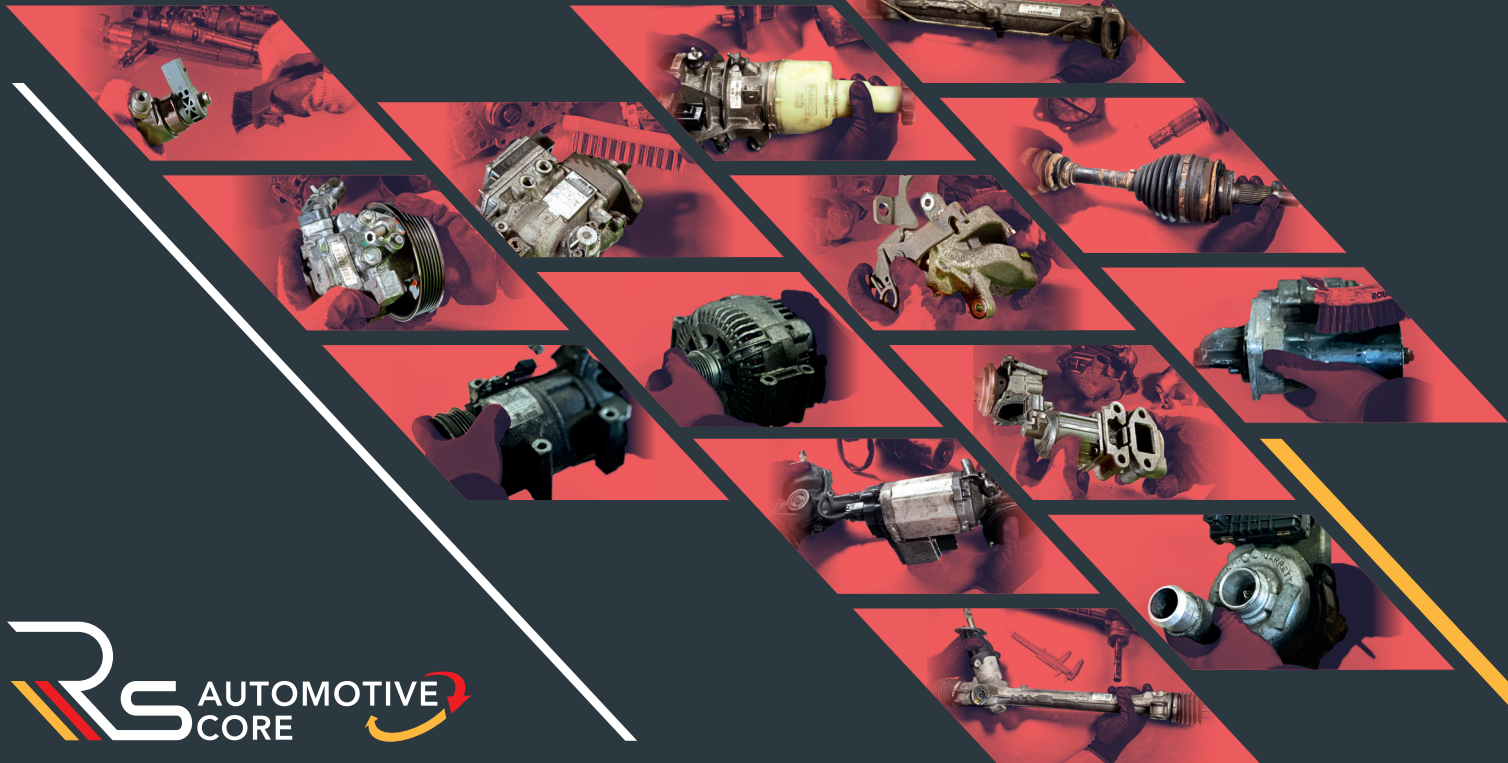

5

Collect

As soon as the mixed core pallet is full, simply click in the app to arrange collection and let RS take care of the rest.
